****ORANGE lettering designates new activities for the week! ****

Behavior or Skill Observed or Desired	Action Taken In Classroom	Developmental Benefits
<p>Getting along with each other within our community. This week we will extend the lesson of learning how to focus on following instructions and practicing our patience.</p>	<p>The children will continue to role play a variety of situations. Ex. What do you do when the teacher is talking and you need her attention? What do you say when someone is interrupting your sentences or words? What should I tell a classmate who is doing something I don't like? What do you say when someone is speaking to you with a loud voice?</p>	<p>As the children role play various scenarios they will learn appropriate methods that will aide them when situations and conflicts occur. These scenarios will also boost the children's self esteem, socialization and communications skills.</p>
