

Summer Camp Families,

We would like to extend a warm welcome to you and your child. We are very excited that you will be joining us this summer at Child's Day! We hope that your child's experience with us is fun, rewarding and memorable. We hope this packet will be informative to you. If you have any questions or comments, we would be happy to address them.

We look forward to an exciting summer!

~Allen Sosa

Dear Parents,

Welcome to the Dolphins Class! My name is Allen Sosa and I will be the Lead teacher. I am married and have two wonderful kids, Isaiah 8 and Christina 6. I have been working here at Child's Day for over 9 and a half years. That time has been primarily spent working as the afternoon kindergarten teacher. The past few years I have taught Spanish. This will be my tenth summer camp that I have prepared for and my first time being the lead. I am currently attending ACC and I am two semesters away from attaining my Child Development certificate. My hopes are to continue on in school and finish my Bachelors and become a certified teacher! We have planned many exciting and fun activities for your child this summer. Please look for any postings that will be on the parent board in classroom! I hope this packet will be informative. Please do not hesitate to email me or call me if you have questions.

Thanks,
Allen Sosa (dumbangel9@yahoo.com)

A few important things to remember...

- Remember to **sign in/out** at the clipboard hanging outside the front door, and please address, either **verbally or visually**, a child's day teacher (preferably a Dolphins Teacher) when you pick up your child.
- We expect children to be in the class no later than 9am on field trip days. On swim days no later than 8:30am. If you will be running late, please call the front office so that they can inform us. In the case that you are running late for swimming or a field trip, you can meet us at the site.
- Please no flip flops.
- Children need to come to school with sunscreen already applied to save time during the transition between child's day and the pool. We will reapply sunscreen in the afternoon.
- Please **do not** bring any outside toys to school.
- Please **refrain** from packing any candy in their lunch.

- Remember no warm ups or containers on field trip lunches.
